CATARRH.

The following Cure is probably the most remarkable ever effected by any medical preparation for the treatment

Gentlemen,—I hereby certify that I have had Catarrh for ten years, and for the last six years have been a terribic sufferer. I was rendered partially deaf, had burning in the head, pains across the temple, dizzy spells, weak and paintal eyes, swollen and ulcerated tonsils, hard and constant cough, severe pain across the chest, and every indication of consumption. My head ached all the time. The matter accumulated so rapidly in my head and throat that I could not keep them free. Frequently at night I would spring out of bed, it seemed to me, at the point of suffocation. I would then have recourse to every means in my power to dislodge the mucus from my throat and head before being able to sleep again. For a period of six years my tonsils were ulcerated and so much inflamed that I could with difficulty swallow. I finally consulted an eminent surgeon in regard to an operation on them, but at his request postponed it. The constant inflammation and ulceration in my throat caused by the poisonous matter dropping down from my head had so irritated and inflamed my lumps that I coughed incessantly,—a deep, hard cough. Meanwhile my system began to show the effects of this disease, so that I lost flesh, grew pale, and showed every symptom of an early death by consumption. When matters had reached this stage, or about six months ago, I began the use of Sanyomb's Rabroal Curke for Cararras. After using the first bottle I began to improve rapidly. The first dose seemed to clear my head as I had not known it to be for years. It seemed gradually to arrest the discharges. It stoped my completely restored, and overly symptom of disease that had reduced me to the verge of the grave disappeared by the use of Sanyom's Rabroal Curke for Cararras. After using the first bottle I began to improve rapidly. The first dose seemed to clear my head cased, my senses of seeing and of hearing were completely restored, and overry symptom of disease that had reduced me to the verge of the grave disappeared by the use of Sanyom's Rabroal Curke fo

Then personally appeared the said George F. Dinamore, and made oath that the foregoing statement by him subscribed is true. Before me.

Affords the most grateful relief in all Affections of the Chest and Lungs. CHRONIC PLEURISY CURED. Messrs. Weeks & Potter: Gentlemen, -- Having for many months past suffered with a very lame side, called by my physician Chronic Picurisy, caused by a former injury and strain, and for which I used many prescriptions and liniments, as well as the so-called rhoumatic cares, without the least benefit, my physician recommended one of your Collins' Voltano Plastris, which, to my great surprise, relieved the pain and soreness almost immediately, and I have been able to attend to my household affairs ever since with perfect case and comfort, whereas, before the application of your invaluable Plaster, I was scarcely able to do anything. I consider them inestimable, and shall with pleasure recommend them to the afficied. Yours respectfully,

Mrs. FRANCES HARRIMAN.
